Getting to Know Us Better

PT SILA INTERNATIONAL LOGISTIC is a company specializing in logistics, cargo services, and the international trade of export and import commodities. Operating since 2010, we bring over a decade of experience in handling cross-border shipments, particularly via sea freight routes connecting various ports across Indonesia, Malaysia, and Thailand.

In our operations, we utilize wooden vessels and barges to facilitate the shipment of various commodities, ranging from plantation and agricultural products to fisheries, seafood, and other traded goods. We also accommodate a wide range of import requirements, including food products, packaged goods, garments, footwear, and various other goods for commercial and industrial needs.

Reaching International Markets Together

With experience in cross-border trade, PT SILA INTERNATIONAL LOGISTIC strives to provide flexible services that support the distribution of goods. We are committed to building long-term partnerships through professional service, effective communication, and shipping solutions tailored to our business partners' needs.

With the reputation and experience we have built since our establishment, we are confident in our continued growth and development as a stronger and more trusted international logistics and trading company, with the ability to expand our services into broader markets.

Our Vision and Mission

Our vision is to become a trusted, professional, and competitive sea freight logistics and international trading company, connecting markets and meeting cross-border trade needs in a sustainable manner. Our mission is as follows:

1. Provide reliable and efficient sea freight logistics and export-import services.
2. Facilitate commodity trading through an extensive international business network.
3. Prioritize professionalism, integrity, and effective operational coordination.
4. Build strong and mutually beneficial strategic partnerships.
5. Continuously improve service quality and operational capabilities to meet international market demands.
